Janine Whitehouse 1979-1980

\*Janine\*

How do I ever begin to tell  
you how much you've meant to  
me as my best friend \* You mean  
the whole wide world to me & I could-  
n't of made it through these years with-  
out you \* We've done so many things &  
been through so much together \* We  
got enough memories to last us an en-  
tire life-time \* Janine you know me  
just about better than any living  
person on this earth and I could  
tell you any problem I could come up  
with & somehow you always manage  
to help \* Just remember some of  
the stuff we've done, 'our #1 boosh land'  
Greenwill, Ave., Reunited red, mmm just  
a minute, Jan's Lannana, movies  
dorks at six flags, shock wave, crying  
over nothing, Tony Ferrell, Reunited,  
m-m-f, K's pinto, KKB, D, D, D, D, D, (I'm  
not sure of the rest) Oh yes C, B, B & The  
Texas Jam, shopping, Awon lady,  
The Lake, sneaky me, The nite in the  
trailer, you ate it, rolling, PARTIES \*  
The munchies, The sub shop, Paul N.  
Sisters, -same hair, same clothes \*  
I think I could go on for days \*  
These memories will always live +  
a few more \* Can't forget about our

Town house, business school, legal  
secretaries can we & Janine we've  
shared some pretty crazy moments  
together & we've only just begun <sup>un</sup> &  
you've got everything you need  
for a successful & happy life & &  
I wish I ~~go~~ could write in words  
just exactly how I feel. There  
are very few friendships if any  
that have lasted through every-  
thing we've been through! We've  
had our fights but they never  
lasted a day & People have tried  
to tear us apart, but it hasn't  
worked & will never work, no matter  
what & we've got so many secrets  
on each other we could ruin each  
other for good, but I know that  
would never happen cuz we're Best  
Buds till the end & I pray to  
God that we will still keep in  
touch even in the far future &  
I know sometimes I can be a bit  
corny, but I mean well & & I just  
remembered something "The Hoe  
Down" & Young Life & It's been a blast &  
there is no way on this earth, I  
could be as close to anyone as I  
am you & well I guess what all  
this means is you've been the

greatest friend anyone could ever  
want & I know you'll always  
be there! Good luck in anything  
& everything you try to do. I'll  
always be around if you need me!  
I love ya dearly sis!

Best Friends 41 ever! Love ya Always!  
Jana (Best Buddy!)

Jamie

Just as Jan said... I could never match up to  
what Jana's said, but I can add on to it. ->  
You've got so much going for ya now, it's got to  
where you set the example for everyone else. You've  
got a treasure personality, lucky it's so different  
from every one else's. You don't try and be  
someone you're not, it's always "you". You've  
heard so many times for advice, which I could give  
you so very little times. I'm just thankful for  
Jana to be your leaning shoulder for all the times  
I cannot. \* I can only wish you the very  
best of life, and hope you never have to  
suffer the pain from the bad parts of life. I'm  
all for you and Jana - and you both lucky  
to have each other to depend on. Take care  
and just BE HAPPY

Love to ya always,

Sis 83

Janine, 

What can I say,  
I've known you  
ever since we've  
been born. I'm  
glad we grew  
up together. Don't  
think I'm funny  
or anything but  
I really love ya.  
You are like a  
real sister to me.

I'm glad we are  
so close! I hope  
we stay that way  
forever. I will always  
be your Big sis &  
be there if you ever  
need me for anything.  
I'm sure you will  
be there if I ever need  
you. I guess I better  
end for now. You  
probably know how much  
I care for ya.

I love ya,

Big sis forever

savings

You've heard a lot about the need to conserve electricity and all forms of energy. Not only does conservation help save our nation's precious energy resources, it helps you and your family save money since the cost of energy is a big chunk out of most families'

budgets. You can help your family by doing your part... make sure you close doors and windows

refrigerator

when the heating or air conditioning unit is on; don't "graze" when you raid the refrigerator - know what you want before you open the door;

hot water takes energy - try a shorter shower;

Time's up!

Turn off the T.V.!

and make sure the television or stereo is off when you're through with it. Work with your family to save energy now...

you'll help make sure there will be enough for everyone when you start a family of your own.

Forgive my grief for one removed,  
Thy creature, whom I found so fair.  
I trust he lives in thee, and there  
I find him worthier to be loved.

Alfred, Lord Tennyson

4amime,

You are really one of the  
sweetest girls I know. I  
really hope we can become  
great friends. I do some  
crazy things together (you, Jane, & I),  
I know we will share some  
good times. You feel free to  
come talk to me about any-  
thing coz I'm here to listen.  
4amime, you're a beautiful  
girl who has alot going for them  
so have a good-time but be  
careful. Be Sweet!

Love ya!

Shamira Shamblin

"Sr. 81"

4amime,

I have enjoyed being  
in your class last year.  
and I think you're a  
real nice and pretty  
girl.

Love ya,

Van Taylor '83

Janine

well -> the best a  
long time. I couldnt ever  
begin to make up with  
the things Jana wrote so  
am not ever gonna try.  
we've had alot of fun  
and your friendship  
means the world. I all to  
miss. I'm just glad I could  
be there at times like  
cheerleader tryouts to help.  
And am glad to share the  
happiness at times like B-Drill  
tryouts to! You're a super person  
I love ya so much! Don't let  
ever change! You deserve the  
best that life can offer and  
don't worry -> your time will  
come! Good luck with Kevin  
on whatever else might come  
along! God Be with ya & love!  
-7/80! 8/83! I love ya!  
Love

Janine,  
Well what can I say? Except  
that I have really enjoyed knowing  
you. I'm glad that I'm a senior  
but I am gonna miss ya! I  
read what you & Jana wrote each  
other & I can recall some of the  
times. But I want you to  
remember, & I told you once, don't  
ever hesitate to call me, - either just  
to talk or if you have a problem, I'm  
there & I care, really! Good luck in  
life & don't ever forget me cause I know  
you get mad at me <sup>sometimes</sup> & you have every right  
cause ~~those are things~~ that ~~are~~ my fault!  
They're things I love ya,  
Brad Carter

Janine  
Well I'm really  
glad we got  
to become friends  
I'm surprised  
we got a class
